

How to search for your classes:

1. Click on the "Class Search" on your MyASU's My Classes Box.

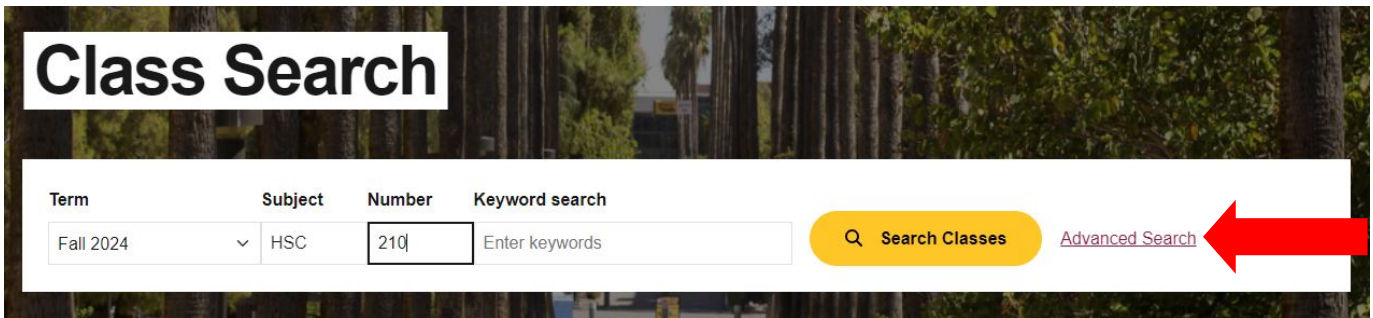

2. You will now be taken to the Class Search website.

The screenshot shows the 'Class Search' header in a white box on a background of trees. Below the header is a search form with four columns: 'Term', 'Subject', 'Number', and 'Keyword search'. The 'Term' dropdown is set to 'Fall 2024', the 'Subject' dropdown is set to 'HSC', and the 'Number' text box contains '210'. The 'Keyword search' text box contains the placeholder text 'Enter keywords'. To the right of the form is a yellow button with a magnifying glass icon and the text 'Search Classes', and a purple link labeled 'Advanced Search'.

3. You can type in the subject abbreviations and course number to search.
4. To use the advanced search, click “advanced search.”

This screenshot is identical to the one above, but with a red arrow pointing from the right edge of the image towards the 'Advanced Search' link.

5. You will now be able to see the filters to apply to your class search.
